Membership fees

Membership fees go towards purchasing balls, training equipment and jerseys, entry fees for leagues and cups, paying Public liability insurance and Personal injury insurance, hiring of all-weather playing pitches, and maintenance of the existing club grounds. The majority of this money is spent on schoolboy and underage soccer. Running the Regional United Soccer Club is an expensive activity and it is important that everyone contributes equally so that we can provide the best possible soccer experience for all of the players.

Regional United FC is a Voluntary Run non-profit club that relies on the generosity of the community to provide its services to the registered members. No committee member, coach or volunteer receives any payment for their services.

Getting involved

Regional United is run by parents. It is important for you and for your children that you get involved in the club as much as you can. Don't leave it up to others. Make the club your own by getting involved in some way.

Consider becoming a coach or just helping out with coaching. Don't be afraid to ask or to take part. It doesn't require a full weekly commitment and we can provide you with FAI coach training so that you can feel confident in what you do. If you have skills in other areas such as web design, advertising, publishing, building, planning, graphic design or first aid we would also be glad to hear from you.
